

ONLINE REPORTING

at Averitt.com

Averitt's online reporting tools allows you to automate reporting – saving you both time and money. Best of all, it's available 24/7/365.

ONLINE REPORTING OFFERS...

- **MORE CUSTOMIZATION OPTIONS:** Our online reporting tools offer more options – over 100, to be exact! No matter what field you need in your custom report, you can find it – from pickup to delivery and everything in between.
- **CLEANER FORMATTING:** Whether you need Excel, PDF, TXT, CSV, HTML or tab-delimited, you can receive your reports in the format you need to save you valuable reformatting time.
- **SCHEDULED REPORTS ON YOUR TIME:** Need your service report daily? Weekly? Monthly? No problem. Just on Tuesdays at 7am? No problem. Want a tracking report every morning and afternoon? Online Reporting can handle that, too. No matter your scheduling needs, you can automate your reporting to match it.
- **USE PRE-FORMATTED REPORTS OR CUSTOMIZE YOUR OWN:** We've asked customers what their most common reports look like and have “pre-formatted” several reports that you can use from the moment you first log in. If you want to build your own custom report, the process is simple and you'll be receiving your custom report within seconds.
- **ONLINE OR OFFLINE HELP EVERY STEP OF THE WAY:** Whether you need a video walkthrough of a specific tool or a live person to ask your questions to, help is available in one click from every screen.
